In the ninth White Rock tried hard to score, but were helpless. The splendid defense of the Sachems checked them. Gavitt, the first man up, drove a stinging liner which Germain captured after a hard run, Johnson smashed a hard one toward Cranker, who made a splendid one hand stop and got his man at first. Farrera, who had already made two hits, drove one to the left field bushes, but it went foul by two feet. He grounded to Ensling, who made a one hand catch, retiring the side. The spectators all concluded that the game was the best of the season. The Emeralds will play the Sachems next Sunday, June 14th. The score:

As it is these roads, which are concerned in the freight rates case, the upturn was associated with Washington reports that a decision was forthcoming shortly. Wall street houses received advices from Washington that Chairman Harlan of the Interstate Commerce commission was hurrying to complete the text of the decision, and that it might be made known within a week. Another report was that the decision might come out in a day or two. For months the street has been hearing similar rumors but interest in the outcome of the case remains so keen that whenever Washington advices of the sort come into free circulation a response come into free circulation a response from the market may be counted on.

Another factor in the upturn was the news from Washington that the senate committee on interstate commerce might not repodt at this session two of the administration's three folials dealing with corporations, which passed the house Friday. The prospect of such a sharp curtailment of passed the house Friday. The prospect of such a sharp curtailment of the programme for trust legislation at this session was regarded by traders as decidedly bullish, and in the last hour buying was more confident than at any previous time this week. State Hospital Won in 12th.

After battling for twelve long innings Saturday afternoon the Hospital team was able to defeat a fast aggregation from Sterling by the score of 4-3. Sterling started the bail rolling in the second inning and by the aid of a free pass, stolen base and an error they were able to score one run and the Hospital, not to be outdone, pushed two across the rubber in their half of the same inning by a base on bails, a triple and a single. Again in the fifth by a single, double and a sacrifice by O. Norgren and good base running Sterling was able to score two more runs, while the Hospital tied in the eighth.
